

The Indiana School Safety Specialist Academy presents:

Standard Response Protocols, Standard Reunification Method Update for School Safety Specialists

Presented by:

John-Michael Keyes, The I Love U Guys Foundation

John-Michael Keyes represents the “I Love U Guys Foundation” to districts, departments, agencies and organizations regarding school safety. The death of his daughter, Emily, at the hands of a gunman at Platte Canyon High School compelled Mr. Keyes to bring his professional expertise to the arena of school safety. The Keyes family's response to the events at Platte Canyon High School was immediate support for first responders and compassionate outreach to law enforcement. The Keyes’ hope these direct and positive actions can act as a guidepost for families impacted by violence.

Topics to Be Covered Include:

Introduced in 2009, the Standard Response Protocol is a proven enhancement to school safety planning. Thousands of schools in the US and Canada have adopted the program.

Introduced in 2012, the Standard Reunification Method fills a critical void in school safety planning. How to reunite students with their parents after a crisis.

John-Michael Keyes the Executive Director for the I Love U Guys Foundation will be providing updates and valuable training on both programs.

Cost: There is no cost for this training. Professional Growth Points, CEU's and Law Enforcement hours will be available.
